

## COURSE EXCEPTION PETITION

Purpose of form: (1) request that a course taken be used to count toward a specific program requirement; (2) request course waiver or substitution. Petitions are reviewed weekly. If a request is approved, the advisor will update the requestor's transcript to reflect the approved change and notify the student. In-person meetings are often required to complete the process.. Students are welcome to contact the adviser for updates any time: [wiaman@uw.edu](mailto:wiaman@uw.edu).
