

# AUTUMN QUARTER 2016 JUMP-START YOUR UNDERGRADUATE RESEARCH: FOR INCOMING COMMUNITY COLLEGE TRANSFER STUDENTS

**GENERAL STUDIES 391 K (2 cred) | SLN: 15456\***

**Pre-Quarter Workshop (September 22) + weekly follow-ups  
(Fridays, 1:30-2:20 PM)**

The Undergraduate Research Intensive designed for incoming transfer students is an initial full day, pre-autumn quarter workshop, held September 22<sup>nd</sup> on the UW Seattle campus, followed by weekly sessions during the quarter designed to help transfer students attain and excel in undergraduate research positions. The course will demystify the research process at UW and provide instruction in research-related skills and resources. All students receive one-on-one advising with URP staff and interact with peer researchers.

- ◆ **Registration limited to incoming community college transfer students.** ◆
- ◆ **All fields & majors are welcome!** ◆ **No prior experience needed!** ◆
