ACADEMIC EMPLOYMENT

Lecturer, Program on the Environment, University of Washington, 2015 - Present

Affiliations: Center for Environmental Politics

School of Marine and Environmental Affairs

Taiwan Studies Program, The Henry M. Jackson School of International Studies

Center for Studies in Demography and Ecology

Program Director, Program on the Environment - Taiwan: Exploring Environmental and Social Resilience, Study Abroad Program, University of Washington, 2019 - Present

Fellowships and Distinctions at the University of Washington

Global Engagement Fellow, Office of Global Affairs

Collaborative Online International Learning (COIL) Fellow, Office of Global Affairs

Evidence-based Teaching Program Fellow, Center for Teaching and Learning

Writing@UW Fellow, Writing@UW

Postdoctoral Teaching Fellow, Program on the Environment, University of Washington, 2013 - 2015

EDUCATION

Ph.D. in Geography, University of Wisconsin-Madison, 2011

Dissertation: *The Dynamics of Public Participation in Ecological Restoration: Professional Practitioners, Volunteers, and Institutional Differences*

M.S. in Geography, University of Wisconsin-Madison, 2005

Thesis: *Spatiotemporal Changes of Landscape Pattern in Response to the Process of Urbanization: A Case Study of the Madison Area, Wisconsin, USA*

B.S. in Geography, National Taiwan University, 2003

TEACHING EXPERIENCE

Instructor of Record, University of Washington

Program on the Environment

ENVIR 100: Introduction to Environmental Studies

ENVIR 301: Research Methods in Environmental Studies

ENVIR 310: Data Analysis in Environmental Studies

ENVIR 401: Analysis of Environmental Cases

General Studies

GEN ST 297: Undergraduate Seminar: Achieving the United Nations Sustainable Development Goals

Program on the Environment and Cross-listed with the Henry M. Jackson School of International Studies

ENVIR 430/JSIS 484: Environmental Issues in East Asia

ENVIR 495/JSIS 484: Taiwan's Natural Landscapes and Environmental Issues

ENVIR 496/JSIS 391: Study Abroad: Exploring Environmental and Social Resilience

School of Marine and Environmental Affairs

SMEA 550: Qualitative Content Analysis (Graduate-level Course)

Robinson Center for Young Scholars

Understanding Our World Through Data (Summer enrichment course for high-achieving middle school and high school students at the UW)

Teaching Assistant, Department of Geography, University of Wisconsin-Madison

Geography 120: Global Physical Environments

Geography 339: Environmental Conservation

Geography 370: Introduction to Cartography

Geography 377: Introduction to GIS
