

ENVIR 495 I

**Environmental Studies Seminar Series:
Environmental Justice**

Autumn 2022

TBA

1 cr
no prereqs

Instructors:

Gary Handwerk, PhD

Tim Billo, PhD

Speakers from across and beyond the University addressing issues such as Indigenous land and food sovereignty, tribal treaty right, tribal resource co-management, global environmental histories, and the application of Indigenous knowledge toward a more sustainable society.

To earn credit, students are expected to attend all 9 seminars and write a short response after each one. Weekly seminars will also be open to the public.
